3D Systems Announces Conference Call and Webcast to Discuss Fourth Quarter and Full Year 2011 Results

ROCK HILL, South Carolina – January 18, 2012 - 3D Systems Corporation (NYSE: DDD) announced today that it plans to hold a conference call and simultaneous webcast to discuss its financial results for the fourth quarter and full year 2011 on Thursday, February 23, 2012, at 11:30 a.m. Eastern Time. The company expects to release these financial results and to file its Form 10-K on February 23, 2012, prior to the conference call.

Date: Thursday, February 23, 2012

Time: 11:30 a.m. Eastern Time

Listen via Internet: investor.3dsystems.com

Telephone (within the U.S.): 1-866-700-7101
International Telephone: 1-617-213-8837
Participant code: 46716810

The recorded webcast will be available beginning approximately two hours after the live presentation at investor.3dsystems.com.

Forward-Looking Statements

Certain statements made in this release that are not statements of historical or current facts are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from historical

results or from any future results expressed or implied by such forward-looking statements. In addition to statements that explicitly describe such risks and uncertainties, readers are urged to consider statements in the conditional or future tenses or that includes terms such as “believes,” “belief,” “expects,” “estimates,” “intends,” “anticipates” or “plans” to be uncertain and forward-looking. Forward-looking statements may include comments as to the company’s beliefs and expectations as to future events and trends affecting its business and are necessarily subject to uncertainties, many of which are outside the control of the company. The factors described under the headings “Forward-Looking Statements,” “Cautionary Statements and Risk Factors,” and “Risk Factors” in the company’s periodic filings with the Securities and Exchange Commission, as well as other factors, could cause actual results to differ materially from those reflected or predicted in forward-looking statements.

About 3D Systems Corporation

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides creative content development, design productivity tools and curation services and downloads. Its expertly integrated solutions replace, displace and complement traditional methods and reduce the time and cost of designing new products by printing real parts directly from digital input. These solutions are used to rapidly design, communicate, prototype and produce functional parts, empowering its customers to create with confidence.
