## 3D Systems Delivers Affordable New Desktop Printer

- New ProJet™ 1000 Makes High-Resolution Accessible To Professionals  
and Students Alike -

**ROCK HILL, South Carolina, November 29, 2011** – [3D Systems](http://www.3dsystems.com) Corporation (NYSE: DDD) today announced the immediate availability of its new ProJet™ 1000 personal 3D printer. Priced at \$10,900, this printer makes high-resolution, durable plastic parts accessible and affordable to educators, students and professionals alike. The new [ProJet™ 1000](#) printer will be on display at Euromold, November 29<sup>th</sup> – December 2<sup>nd</sup>, 2011 at the Frankfurt Messe Center, Hall 11, Booth F110, and can be purchased through 3D Systems' global network of authorized resellers.

The new ProJet™ 1000 prints high-resolution durable plastic parts right in the office or classroom. This affordable printer delivers beautiful ivory colored, snap-fit, plastic parts with excellent fine feature detail and smooth surface finish at print speeds over three times faster than other [3D printers](#) in its class.

"We are excited to offer a new, economical personal 3D printer that prints precision, high-performance parts," said Buddy Byrum, Senior Director, 3D Printing for 3D Systems. "The ProJet™ 1000 is a game changing 3D printer designed specifically for cost-conscious designers that need true-to-design functional test products."

**About 3D Systems Corporation**

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides creative content development, design productivity tools and curation services and downloads. Its expertly integrated solutions replace, displace and complement traditional methods and reduce the time and cost of designing new products by printing real parts directly from digital input. These solutions are used to rapidly design, communicate, prototype and produce functional parts, empowering its customers to create with confidence.
