

3D Systems Leuven is looking for a motivated

## LOGISTICS EMPLOYEE (M/F)

---

### About 3D Systems Leuven

3D Systems LayerWise is a dynamic and leading enterprise, specialized in 3D Printing of metal components. 3D Systems LayerWise is not only a technology developer but also a technology user (production company). This makes us a strong innovation partner for clients in the industrial, medical and dental sector.

With this technology, we build up material in layers using a high intensity laser until it becomes a solid product. Unlike conventional production techniques, this one does not render any material loss, nor does it require any tooling. It does however, enables the designers to manufacture very complex geometries which are not producible using the traditional techniques.

*LayerWise is part of the 3D Systems group, a world leader in 3D printing*

### JOB DESCRIPTION

The Logistics Employee is responsible for the shipping, receiving and processing of freight according to company policies and procedures. The position is for our site in **Sint-Niklaas**.

### TASKS & RESPONSIBILITIES

- You ensure the orderly stocking and/or timely delivery of merchandise.
- You maintain and update the purchase order system as shipments are received, cancelled or back ordered.
- You process inventory paperwork.
- You update management on all inventory issues on a regular and as-needed basis.
- You provide administrative or technical support.

### PROFILE

- You have general warehouse operations knowledge including shipping, receiving and inventory control.
- You have knowledge of the various modes of domestic and international transportation.
- You are able to operate common warehousing equipment.
- You are able to enter transactions into an ERP system.
- Good computer skills, including MS Office applications, are required.
- Good knowledge of Dutch and English is required.
- You are able to work independently.
- You are dynamic, result oriented and flexible.

### WE OFFER

- A challenging job in a young and dynamic team
- A competitive salary and additional non-statutory benefits
- Career opportunities in a global company with exponential growth.
